**[www.dfwautismconference.com](http://www.dfwautismconference.com)**

**Three Days of Training and  
Over 30 Presentations and Vendors**

The FEAT-NT “Teaching Does Make a Difference” Autism Conference brings together experts for three days of training that focus on ways to improve the quality of life for those with autism, their families, caregivers and professionals working with them. The presentations and panel workshops will cover areas of behavioral and developmental therapies, medical/biomedical interventions, research, nutrition, and family issues. It is attended by Educators, Therapists, Health Care Professionals, Caretakers, Parents and anyone who wants to learn more about services and treatment for individuals living with Autism, Asperger's Syndrome, ADD, ADHD and other learning disabilities.
